

WORLD OF RADIO #1151, produced October 9, 2002 by Glenn Hauser

- \*RFPI expects to lose hi-speed internet connexion Oct 18, so can no longer stream out; nor download programs timely; hopes to still get WOR without much delay; needs \$3000 for wireless bridge net
- \*But WOR well heard in Queensland on RFPI 7445, Wed 0700
- \*May also hear WOR when least expected on WJIE 7490, as filler, but running 2 or 3 weeks behind; encourage them to download latest each Thursday; most reliable time is M-F 1200; also heard in Australia
- \*New WBOH in North Carolina testing on 5920, still low powered in noise (recording)
- \*Harold Camping of Family Radio says churches are irrelevant and apostate; God is now on the radio. Some ministries cancel over his censorship
- \*WBCQ has new website <http://www.wbcq.us> replacing wbcq.net and webcast is available for 7415 even when not on air
- \*Colloidal silver, frequently advertised on US SW stations, turns Montana Libertarian blue, argyria
- \*House approves bill reducing small webcasters' fees for copyrighted music; Senate still must approve. 8-12% of revenue
- \*But major webcasters see it differently: WFMT discontinues streaming Oct. 14; will remain on C-band satellite
- \*iBiquity standard about to be adopted by FCC for digital audio broadcasting
- \*CBC Radio's new morning show from Oct. 14: 'Sounds Like Canada'; preceded by another new one, 'The Current' but not until Nov. 18; see <http://cbc.ca/soundslikecanada>
- \*Jane Chalmers new VP for CBC Radio replacing Alex Frame
- \*R. Imperial, El Salvador, 17833.2 audible as early as 1700 or even 1200, but so far no reports from Europe
- \*Also I hear unidentified around 17837; may be Latin American 3rd harmonic of 5946
- \*Advance schedules for B-02 season have been running in DX Listening Digest; check recent issues as we may not mention all on WOR
- \*HCJB B-02 to Europe and South Asia in English
- \*Peruvian station name corrected: not La Voz del Vecino, but Destino on 6323.9, Nueva Cajamarca
- \*R. America, Paraguay, now heard by South American DXers and prompt QSLs by E-mail; on 7737.1, 7386 to be replaced by 9980; later on 120m, 2310
- \*Illustrated story about R. America at <http://www.dxing.info>
- \*4759.1 has a R. Nacional from Argentina; may be 4th harmonic of 1190 [Tucuman, already heard on 2nd harmonic]
- \*Channel Africa, B-02 English schedule; South African Radio League; R. Sonder Grense
- \*World of Radio MCLI, P O Box 1684, Enid, OK 73702 USA; or [wghauser@hotmail.com](mailto:wghauser@hotmail.com) by fax if really necessary 1-580-233-2948 attn Hauser. Our website <http://worldofradio.com>

- \*R. Nacional Angola reactivated on 11955.7
- \*From WJIE This Week, which often follows World of Radio: High Adventure SW transmitter from Lebanon, stored in Nigeria, now on way to Liberia
- \*R. Caroline heard on unexpected SW frequency 7140, seems from Ireland; management knows nothing about it, prefers no relays; cannot and will not verify [but they did, by mistake?]
- \*Mystery tests on 25775 and other 11m frequencies are field trials for DRM consortium, 200 watts from Rennes, Brittany
- \*Last week's item about R. Finland cancelling English early was incorrect; off WRN, but still on SW, 1230 on 15400, 17660; quality improving as about to be canceled at end of October
- \*Elsewhere in Finno-Ugria, new B-02 schedule for English from Budapest
- \*Intermedia, DX program from Austria, will continue, but modestly, no longer produced by Wolf Harranth after October 25
- \*Austria's Arabic and Esperanto will also terminate; message from Esperanto Department on its finale Oct. 25; plus a week on web
- \*R. Rasant, Germany, another special in German on children and war, via IRRS, Oct 12 and 13 0730-0830 on 13840; site not known
- \*NEXUS/IBA has cooperation agreements with unnamed external sites, tests already begun; powers will be up to 500 kW
- \*Vatican Radio starts broadcasts in Hausa, some produced in Nigeria
- \*Pres. Putin revokes decree of Pres. Yeltsin about R. Liberty's status; see DXLD 2-154, 2-155
- \*V. of Turkey changes frequencies and times for B-02; English
- \*Israel Radio SW broadcasts should be one hour later since October 7
- \*Sawt al Watan, clandestine for Syria, went on new schedule October 1, perhaps due to DST change in country of origin or Syria
- \*US to provide two MW transmitters to Afghanistan, one for VOA/RFE/RL and the other for R. Afghanistan; but really outside Afghanistan?
- \*Orzu transmitter in Tajikistan on 801 has started IBB programming to Afghanistan, VOA, RFE/RL, also in Hindi
- \*Pakistan off DST as Azad Kashmir service signing on an hour later
- \*Sort-of clandestines for Sri Lanka: TBC no longer heard, and IBC-Tamil schedule has changed
- \*Time for another China Coast Race from Hong Kong, involving weather broadcasts on 3940; <http://www.rhkyc.org.hk/chinacoastraceweek.htm> Oct 12-19 and later; see DXLD 2-157
- \*Lhasa, Tibet being heard at sunset in Georgia, grayline
- \*Tibetan language service closes at 1650 after English
- \*Mongolia reactivated on 4866v, drifts, bad modulation and power seems low
- \*WJIE has plans for a SW station in the Marshall Islands
- \*New Zealand started summer time of UT+13 on October 5
- \*Hard Core DX site redesigned: <http://www.hard-core-dx.com>
- \*R. Taipei International live coverage of ROC national day celebrations UT Oct 10 at 0200 via WYFR
- \*Propagation outlook from Boulder Oct. 8; flux range 170-190-140

\*And so concludes, with a Standard Disclaimer, WOR 1151, brought to  
you by Glenn Hauser
